

# *Marriage Protection Pledge*

**Whereas**, the institution of traditional marriage – between one man and one woman – provides a firm foundation for family and community; and

**Whereas**, traditional marriage deserves an important and hallowed place within our culture; and

**Whereas**, not all domestic relationships are the equivalent of traditional marriage; and

**Whereas**, judicial activism threatens the institution of traditional marriage and seeks to redefine it;

**Therefore**, I pledge to support allowing the people of Minnesota to vote on whether our state constitution should be amended to provide that the state and its political subdivisions shall only recognize marriage, or its legal equivalent, as the union of one man and one woman. Furthermore, I pledge to support all procedural votes regarding the bill.
